

MISB a leading global self-learning program, empowering students from **Class 1 to 12**. For over two decades, MISB has cultivated essential English language skills through an engaging & structured word marathon.

For 15 years, we've valued the MaRRS International Spelling Bee. It cultivates accuracy, expands vocabulary, and builds student confidence. We proudly continue our partnership.

*Ms. Stella Parthasarathy (Principal)
The Brigade School, J P Nagar, Bangalore*

*Delhi Public School, Electronic City, hosted a successful **MaRRS Championship**, showcasing our students' exceptional language skills. Participants displayed remarkable poise in the competition.*

*Dr. Jayaraju Tati Nail
Delhi Public School, Electronic City*
