

# MaRRS Primary Colors: The International Championship

*The World's Premier Global Stage for Preschool Excellence*

## Overview

**MaRRS Primary Colors** stands as the crowning achievement in the MaRRS academic calendar. It is the **culminating International Championship** specifically designed for preschool qualifiers who have excelled at the National level.

As the **first of its kind in the world**, MaRRS Primary Colors offers a unique global platform where young learners transition from national success to international recognition.

## The Pathway to the International Stage

Exclusivity is a hallmark of this program. Participation is reserved for students who have qualified through the **National Championships** of any of the following prestigious MaRRS Preschool Programs:

- **MaRRS International Spelling Bee Junior**
- **MaRRS Play2Learn Carnival**
- **MaRRS Preschool Bee:** English, Math, Science, or Humanities

## The Four Variants of Primary Colors

Qualifiers are not limited to their original qualifying subject. A student who qualifies at the National level in *any* of the programs listed above is eligible to participate in **any or all** of the four specialised variants of the International Championship:

1. **Primary Colors – English:** Advanced linguistic and vocabulary challenges.
2. **Primary Colors – Math:** Focus on logical reasoning and numerical aptitude.
3. **Primary Colors – Science:** Exploration of the natural world and scientific inquiry.
4. **Primary Colors – Humanities:** Understanding society, culture, and the world around us.

## Why Primary Colors is Unique
